Skyhorse Publishing, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. Bright Rivers chronicles the angling passions and frustrations of one of fly-fishing s greatest men of letters. A city dweller trapped in the complexities of modern life, Nick Lyons has always found solace in his pilgrimages to great rivers. It is there that he fishes for trout, and in Bright Rivers, Lyons recounts the sometimes moving, sometimes hilarious experiences of his expeditions to Delaware, Beaverkill, Madison, Big Hole, and Yellowstone rivers, sharing reminiscences of trout taken, released, and sometimes lost. No one writes better about not catching fish than Nick Lyons, and perhaps, no one writes better about angling, period. This edition will include a new foreword by the author. From a richly textured diary of a summer in the Catskills to moving recollections of fly-fishing in Montana, Lyons brilliantly captures the wonderful tension between gray streets and bright rivers. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
