Brand New Book ***** Print on Demand *****.Spirituality and spiritual experiences have been the bedrock of every civilization and together form one of the highest mechanisms for making sense of the world for billions of people. Current research paradigms, due to their limitation to empirical, sensory, psychologically, or culturally constructed realities, fail to provide a framework for exploring this essential area of human experience. The development of a spiritual research paradigm will provide researchers from the social sciences and education the tools and abilities to systematically explore fundamental questions regarding human spiritual experiences and spiritual growth. A spiritual research paradigm requires an ontology that considers all reality to be multidimensional, interconnected, and interdependent. It requires an epistemology that integrates knowing from outer sources as well as inner contemplation, acknowledging our integration of soul and spirit with the body and mind. Three additional aspects are useful to a spiritual research paradigm: axiology, methodology, and teleology. An axiology concerns what is valued, good, and ethical. A methodology is the appropriate approach to systematic inquiry. A fifth and less frequently mentioned aspect is teleology, an explanation...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
