THE GREAT HEALTHY YARD PROJECT (PAPERBACK)

She Writes PR, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Who knew gardening could be so important? With 80 million pounds of pesticides being used on residential lawns in America every year, changing the way we care for our yards is indeed very important. In fact a 2013 study released by the United States Geological Survey found the chemicals that we are putting in our yards are now in every stream, river and lake and...
