

## Freedom and Orthodoxy: Islam and Difference in the Post-Andalusian Age (Paperback)

Filesize: 1.33 MB

### **Reviews**

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

**FREEDOM AND ORTHODOXY: ISLAM AND DIFFERENCE IN THE POST-ANDALUSIAN AGE (PAPERBACK)**

Stanford University Press, United States, 2004. Paperback. Condition: New. New. Language: English . Brand New Book. This book argues that the clash of civilizations that is supposed to be a feature of the post-Cold War environment is not necessarily caused by the dogma of world religions or cultural incompatibilities but by the inflexible and hegemonic universalisms that have characterized world history since 1492-a cultural outlook that Majid terms post-Andalusianism. The all-encompassing worldviews of Euro-American ideologies have resulted in the retreat of Islam and other non-European traditions into dangerous orthodoxies and a growing climate of suspicion, fear, and terror. Freedom and Orthodoxy offers an alternative to perennial discord, suggesting that the world needs a philosophy of the provincial, one that reattaches individuals and societies to their heritages and memories but connects them to the rest of the world in solid, non-alienating, meaningful ways. For this to happen, Majid contends, globalization must be reimagined as a network of human solidarities and rigorous conversations across the world's multiple cultures, not as a mechanical process of economic expansionism.
