

Typhoon Attack: The Legendary British Fighters in Combat in WWII

By Norman Franks

Stackpole Books. Paperback. Book Condition: new. BRAND NEW, Typhoon Attack: The Legendary British Fighters in Combat in WWII, Norman Franks, The rocket-firing Typhoon fighter played a pivotal role in the Allies' success in the air and on the ground in World War II, from the Normandy beachhead to the Battle of the Bulge and the final struggle for Germany. In this lively, dramatic account of aerial combat, Norman Franks describes what it was really like to fly at low level and attack trains, ships, and tanks; to fire lethal high-explosive rockets into radar or V-1 sites; or to roll over at 12,000 feet and then roar down into an inferno of flak to dive-bomb an enemy position.
