

Sleeping Giants (Paperback)

Filesize: 7.11 MB

Reviews

Comprehensive manual for ebook fans. I am quite late in start reading this one, but better then never. Its been written in an exceptionally basic way and is particularly merely soon after i finished reading this publication in which really changed me, affect the way in my opinion. (Prof. Antone Olson II)

Del Rey Books, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A page-turning debut in the tradition of Michael Crichton, *World War Z*, and *The Martian*, *Sleeping Giants* is a thriller fueled by an earthshaking mystery--and a fight to control a gargantuan power. A girl named Rose is riding her new bike near her home in Deadwood, South Dakota, when she falls through the earth. She wakes up at the bottom of a square hole, its walls glowing with intricate carvings. But the firemen who come to save her peer down upon something even stranger: a little girl in the palm of a giant metal hand. Seventeen years later, the mystery of the bizarre artifact remains unsolved--its origins, architects, and purpose unknown. Its carbon dating defies belief; military reports are redacted; theories are floated, then rejected. But some can never stop searching for answers. Rose Franklin is now a highly trained physicist leading a top secret team to crack the hand s code. And along with her colleagues, she is being interviewed by a nameless interrogator whose power and purview are as enigmatic as the provenance of the relic. What s clear is that Rose and her compatriots are on the edge of unraveling history s most perplexing discovery--and figuring out what it portends for humanity. But once the pieces of the puzzle are in place, will the result prove to be an instrument of lasting peace or a weapon of mass destruction? Praise for *Sleeping Giants* Reminiscent of *The Martian* and *World War Z*, *Sleeping Giants* is a luminous conspiracy yarn that shoots for (and lands among) the stars. --Pierce Brown, *New York Times* bestselling author of *Red Rising* As high-concept as it is, *Sleeping Giants* is a thriller through and through. . . . Not...
