

## Treconomics

By Manu Saadia

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. What would the world look like if everybody had everything they wanted or needed? Treconomics, the premier book in financial journalist Felix Salmon s imprint PiperText, approaches scarcity economics by coming at it backward - through thinking about a universe where scarcity does not exist. Delving deep into the details and intricacies of 24th-century society, Treconomics explores post-scarcity and whether we, as humans, are equipped for it. What are the prospects of automation and artificial intelligence? Is there really no money in Star Trek? Is Treconomics at all possible?.

### Reviews

*Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.*
