

## Kattertonia: The Wit and Wisdom of Bob Katter

By -

Black Inc., Australia, 2013. Paperback. Book Condition: New. New.. 180 x 112 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.You've seen him wearing Top Gun sunnies, bringing a billy to boil, leaning on a bunch of bananas and addressing the Don't Meddle with Marriage rally. But what's going on under that hat? In these pages we lift the brim and uncover the words of a true-blue Aussie who shoots from the hip. Bob Katter doesn't hold back when it comes to himself: There is a rage in my soul, a hatred in my soul. Far-north Queensland: It is a magic land and we could support a population of 80 million people in the Gulf Country alone. Women: He said that I considered women second-class citizens. If they were staying at home and not working then I would not consider them second-class; I would consider them first-class citizens. Environmental activists: .not a race of people that I like in any way, shape or form. The information age: I have long since given up reading journals and newspapers and watching the television, because the flow of information is so erroneous and misleading. Stem-cell researchers: .there...

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
