

Pain: A Very Short Introduction (Paperback)

Filesize: 5.94 MB

Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.
(Shyanne Senger)

PAIN: A VERY SHORT INTRODUCTION (PAPERBACK)**DOWNLOAD**

Oxford University Press, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. What is pain? Has the experience of pain always been the same? How is pain related to the emotions, to culture, and to pleasure? What happens to us when we feel pain? How does pain work in the body and in the brain? In this Very Short Introduction, Rob Boddice explores the history, culture, and medical science of pain. Charting the shifting meanings of pain across time and place, he focusses on how the experience and treatment of pain have changed. He describes historical hierarchies of pain experience that related pain to social class and race, and the privileging of human states of pain over that of other animals. From the pain concepts of classical antiquity to expressions of pain in contemporary art, and modern medical approaches to the understanding, treatment, and management of pain, Boddice weaves a multifaceted account of this central human experience. Ranging from neuroscientific innovations in experimental medicine to the constructionist arguments of social scientists, pain is shown to resist a timeless definition. Pain is physical and emotional, of body and mind, and is always experienced subjectively and contextually. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
