Random House USA Inc, United States, 2009. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From #1 New York Times bestselling author Tami Hoag comes this romance classic about a man in love--and the woman who s determined to prove it to him. Maggie McSwain should have been thrilled when Rylan Quaid asked her to marry him. Instead, she was crushed. After all her romantic fantasies, Ry s proposal was missing one crucial element: love. But Maggie would prove to Ry that he had a heart--and then she d use every teasing, tempting ounce of seductive power she had to capture it. The next time he proposed to her--and there would be a next time--common sense would be the last thing on his mind. As far as Ry was concerned, solid partnerships made for lasting marriages--and that s what he could have with Maggie. Of course he wanted her, as any man with eyes would want her. But he couldn t love her.because he d vowed never to fall in love again. Now it seemed that the only way to make her his wife was to use reverse psychology. He d just retract his proposal--and pretend to be immune to her charms. He had no idea what a challenge that would turn out to be.
