

The Lyre of Orpheus: Popular Music, the Sacred, and the Profane (Paperback)

Filesize: 1.13 MB

Reviews

This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.

(Miss Vernie Schimmel)

THE LYRE OF ORPHEUS: POPULAR MUSIC, THE SACRED, AND THE PROFANE (PAPERBACK)

Oxford University Press Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The myth of Orpheus articulates what social theorists have known since Plato: music matters. It is uniquely able to move us, to guide the imagination, to evoke memories, and to create spaces within which meaning is made. Popular music occupies a place of particular social and cultural significance. Christopher Partridge explores this significance, analyzing its complex relationships with the values and norms, texts and discourses, rituals and symbols, and codes and narratives of modern Western cultures. He shows how popular musics power to move, to agitate, to control listeners, to shape their identities, and to structure their everyday lives is central to constructions of the sacred and the profane. In particular, he argues that popular music can be important edgework, challenging dominant constructions of the sacred in modern societies. Drawing on a wide range of musicians and musical genres, as well as a number of theoretical approaches from critical musicology, cultural theory, sociology, theology, and the study of religion, The Lyre of Orpheus reveals the significance and the progressive potential of popular music.
