Wtf?!?: Where s the Faith? (Paperback)

By Steven Hartwell

Ibmurray Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.WTF?!? Where s The Faith? Faith is not a complicated subject. However, it does seem elusive when circumstances and situations are so enormously overwhelming that you find yourself lacking peace and wanting the world to just stop. In this, his first book, Steven Hartwell examines several powerfully life-changing, Faith-inspiring skills that will assist you in establishing a solid foundation of Faith. Although the subject of Faith in this book is not altogether exhaustive, Steven puts forth profoundly provocative, scripturally based accounts of his personal experiences with using the power of Faith. On his life journey to secure himself and his family in the things of God, Steven creates a strong, character-driven lifestyle for them on this path that is paved by the spirit of Faith. In his determination to help people from all walks of life, Steven penned this subjective account of how important Faith is in navigating daunting, precarious and sometimes faithless, roads in life. WTF?!? Where s The Faith? will definitely put you on a path to establishing a life of strength, peace and FAITH!.
