Brand New Book ***** Print on Demand *****.Excerpt from A Flower Garden At first, it was a very, very small garden; just a tiny nook, that contained only two plants, a slender lovely lily, and a handsome glowing jasmine. For a short time, just the space that it takes two or three years to fill, these two grew together, loving and happy. The lily in her slender loveliness, would frolic and flirt and become very chummy, if the wind was pleasant and the sun was bright, and the garden was tended by those who loved it. And when it was thus, the jasmine, glowing and handsome, would smile and whisper lovingly to her, so happy was he, just because she was.
