TRUMP S BATTLE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The election of Donald Trump as 45th President of the United States was a remarkable one. Not because of the permanent mud throwing from the side of the Democrats. That is election business as usual. But because elected was a man who obviously had no political experience. That may be the case. But what he has are his ideas on how the United States should look like and be governed. And that differs indeed greatly from what politicians think about the subject. More remarkable was that for the first time in the long history of relationship with the European countries, European politicians intervened in these elections by clearly expressing their preference for Mrs. Clinton. Unique was that during the election campaign many European politicians insulted Donald Trump with statements they never would have dared to express in his physical presence. With their statements, this Europeans insulted not only Donald Trump. They also insulted the people of the United States. Because it is the population that will choose their president and not a bunch of European politicians who have proved that the concept of democracy in Europe about as quickly evaporates these days as the inhabitants of Hiroshima during the nuclear attack in 1945. During his election campaign Donald Trump made many promises on how to make America great again. He also gave his vision on many subjects the European Union has to deal with. This vision and his ideas to make America great again are the cause for the brutal behavior of the European politicians because they realized that, would Donald Trump be elected, their parasitic behavior on account of the US taxpayer would find an end. All Trump...
