

## The Founder s Mentality: How to Overcome the Predictable Crises of Growth (Hardback)

By Chris Zook, James Allen

Harvard Business Review Press, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. A Washington Post Bestseller Three Principles for Managing--and Avoiding--the Problems of Growth Why is profitable growth so hard to achieve and sustain? Most executives manage their companies as if the solution to that problem lies in the external environment: find an attractive market, formulate the right strategy, win new customers. But when Bain Company s Chris Zook and James Allen, authors of the bestselling Profit from the Core, researched this question, they found that when companies fail to achieve their growth targets, 90 percent of the time the root causes are internal, not external--increasing distance from the front lines, loss of accountability, proliferating processes and bureaucracy, to name only a few. What s more, companies experience a set of predictable internal crises, at predictable stages, as they grow. Even for healthy companies, these crises, if not managed properly, stifle the ability to grow further--and can actively lead to decline. The key insight from Zook and Allen s research is that managing these choke points requires a founder s mentality --behaviors typically embodied by a bold, ambitious founder--to restore speed, focus, and connection to customers:...
