Wayward Publications Ltd, 2017. Paperback. Condition: New. Refreshed and Republished ed.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Taoism was first renowned in the West among hippies for its magic - the ability to make things manifest with great ease, hardly without even having to twitch your nose to make things happen. It s a system based entirely on combining clear intention, focusing chi in a clear stream in the direction of the object or outcome of desire, and grace. In this instance grace or te (literally virtue) refers to the state of not caring one way or the other whether your magic works, because you re so fully aware you re already in receipt of the greatest manifestation there can ever be: existence and a human body and consciousness with which to experience and enjoy it. This is the enlightened state. It implies consistent awareness of the Tao, the Great Way of things keeping everyone and everything in motion, the only constant factor in an otherwise fully transient universe. The grace of acquiescence to what is provides the basis for interceding and guiding the flow of events in your direction. Paradoxically, though the practice is...
