How To Get Best Value From HR: The Shared Services Option (Hardback)

By Peter Reilly, Tony Williams

Taylor Francis Ltd, United Kingdom, 2003. Hardback. Condition: New. New ed. Language: English . Brand New Book. An efficient and cost-effective HR function is essential to the successful running of any organization. And yet for many businesses it is impossible or costly to have HR staff in every office. This is particularly true for companies who have many branches, such as banks and building societies. So what are they to do? Increasingly they are turning to shared services by creating a unit within the organization that typically undertakes personnel administration and basic operational support. This may be delivered to managers and employees through some combination of call centre, personal contact or intranet. Creating a shared services centre enables the HR function to redefine its relationship with its stakeholders. It can become more of a strategic player and make a more business-focused contribution. This book explains what shared services are and what they look like for the HR function. It describes why organizations opt for shared services and what activities are included. It sets out the relationship between shared services and the other HR activities, and between HR and line management. How To Get Best Value From HR outlines the process...
