But the sweeter memories are many, and McKenzie tells about them all. He chases butterflies with his net and remembers his best flip. He learns to water ski and watches clouds that look like animals. McKenzie tells of the time he won a jelly bean guessing contest at school, got his favorite toy out of the toy machine, and finds a four leaf clover. He jumps the rope 42 times without missing and is surprised when he discovers a very old coin in the woods. Many more surprises await; including the biggest surprise of all. Was it even possible?.
