

How to Understand Sculpture (Paperback)

By Margaret Thoma

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE. THE title of this book speaks for itself; I have only to add here that it differs from most works of the kind in being the production of an artist endeavouring to explain the technicalities of a beautiful and little understood art; for this reason it is hoped that it will not be judged from a purely literary standpoint. No attempt has been made to give a complete history of sculpture, or a perfect list of artists and their works; the treatise is concerned only with the principles which underlie all art and are the foundations of criticism. As I have mentioned in the text, famous authors have written profound and erudite treatises on the same subject, all of which seem to lack that intimate touch which artists only can supply. An example of this is to be found in Lessing's Laocoon - a book quite useless to a man seeking to work out his own inspiration, for its sonorous periods and acute syllogisms would have no other effect than to confuse his mind as to the real aims...
