Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Akeem Wayne Scott (illustrator). Language: English . Brand New Book ***** Print on Demand *****.I have the honor of knowing a few extremely talented Makeup Artists and what they do heavily influences my artwork, so this coloring book is dedicated to all the talented makeup artists out there because what you are doing is art, and it has huge impact on our culture. A lot of makeup artists use face charts to create looks, and I wanted to create a coloring book that blended the art of makeup with pop surrealist art. Use this Coloring book to create looks, practice techniques, or just have fun and relax.
