

Genesi Genesio Geneseo (Paperback)

By Jerry Genesio

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Genesi Genesio Geneseo: A Family History is a book about the legacy of two Italian immigrants more than a century after their arrival in America. This family genealogy is a historical account of the trials and tribulations experienced by two Italian immigrants from the late 19th century through World War II, and the rewards reaped by their descendants because of the love and loyalty they had for their adoptive country. Genesi and Cesira Geneseo and their children built a solid foundation for those who would follow. As of December 31, 2015, Genesi and Cesira have 78 direct descendants who were born in the United States and we are all grateful to them for what we have and for who we are. In appreciation for the rights and responsibilities we have inherited, many of have served in the nation s Armed Forces, and one of us died for his country during the war in Vietnam. We have also contributed in the fields of agriculture, education, administration, medicine, science, law, technology, music, creative writing, finance, transportation, construction, public service, cosmetology, culinary...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
