Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Ultimate Cheat Sheets for Math Physics are designed to assist college students, in a STEM field, with their studies. All of the most important equations, formulas and identities are isolated in the series. The books follow the same order as the standard college/university curriculums. The WeSolveThem Team is a group of highly trained mathematicians and physicists with years of experience tutoring one-on-one at the college level. Our team is made up of students and professionals that are dedicated to helping others better understand complex material. We specifically choose employees that have an interest in a career of research and professorship.
