Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Juliet Mertz)

LECTURA EN VOZ ALTA E IMAGINACIÓN

Condition: New. Publisher/Verlag: Editorial Académica Española | Lectura en voz alta e imaginación | El referente comunicativo de lectura en voz alta pretende contribuir al desarrollo del pensamiento creativo y artístico, a partir del desenvolvimiento de los niveles cognitivos, estéticos y artísticos que surgen en el oyente receptor atento, activo y participativo de cuentos cortos, relatos breves, noticias fantásticas y/o ficcionadas; motivando y promoviendo el proceso y el desarrollo del mundo de la imaginación. La propuesta busca una promoción intensiva e incentiva de futuros lectores a corto, mediano y largo plazo que la escuela, la familia y la comunidad debe motivar y aportar a la sociedad; para tener de ésta, precisamente, sujetos capaces y capacitados para el libre pensamiento, la búsqueda de la imaginación y la toma de decisiones; en donde prime, en cada uno de ellos la autonomía, la creatividad; y que por medio de ella afloren los cambios constantes y rápidos que Las sociedades actuales requieren. Para que la pasión por la lectura se contagie y se constituya en sí misma como una positiva actitud y herramienta vital hacia lo que representa el acto de leer, e imaginar como fuente de placer y de enriquecimiento personal. | Format: Paperback | Language/Sprache: spa | 52 pp.
