Styles from a Master Bodice Pattern

By Sarah E Veblen

Taunton Press, United States, 2015. DVD video. Condition: New. Language: English . Brand New Book. Express your personal style - and with garments that fit you perfectly. When it comes to fashion and clothes, you have your style. You know what you like. And you re all about making it yourself. Bravo! But.if the pattern is off - and we all have those experiences - then so is the final garment. The fit, the look, the impression you hoped to make misses the mark. That s why we all need Sarah Veblen in our lives! Drafting, adjusting, refining, completing - this pro will walk you through every step in one master class. For more than twenty-five years, Sarah Veblen has been designing and making clothing for her private clientele, specializing in fit, innovative pattern design and quality construction. In Styles from a Master Bodice Pattern, Sarah shows you how to use a master pattern - a properly fitted, basic bodice pattern - as the foundation for creating many styles. Because every new design is based on the master pattern, a great fit is built in. With this approach, you can spend your time creating new looks, rather than adjusting different...

Reviews

Extremely helpful for all class of people. We have read through and that i am confident that i am going to going to read through again again down the road. Its been designed in an exceedingly basic way in fact it is simply following i finished reading this pdf in which in fact altered me, alter the way i think.
