Brand New Book ***** Print on Demand *****.The stunning debut novel from one of genre fictions most exciting new voices. All is not well in Glassholm. Life under the moon has always been so predictable: day follows night, wax phases to wane and, after the despair of every Darkday, a person s mood soars to euphoria at Full. So it has been for five hundred years, ever since the Lunane captured the moon and tethered it to the city. Now, all that has changed. Amidst rumours of unsettling dreams and strange whispering children, society is disintegrating into unrest and violence. Three people find themselves at the eye of the storm: a former policeman investigating a series of macabre murders, an outsider artist embroiled in the murky intrigues of revolution, and a renegade engineer tasked with fixing the ancient machine at the city s heart. Each must fulfil their role or see Glassholm shaken apart, while all are subject to the machinations of their inscrutable and eternal monarch, The Moon King. Williamson s territories are the liminal experience and the murky corners of the psyche. He is a virtuoso of the fleeting glimpse, a laureate of loss. - Andrew Hedgecock, Interzone Worth buying and reading, not once but many times. - Keith Brooke, Infinity Plus A truly unique fantasy, The Moon King is a mysterious, luminous read, full of intriguing characters and featuring a twisty, page-turning plot.
