

The Alpha Beta Book: An Introduction to Ancient Greek

Filesize: 1.57 MB

Reviews

Merely no words to clarify. I could comprehend every little thing using this created e pdf. I am just effortlessly could possibly get a enjoyment of reading through a created publication.

(Mr. Ari Powlowski)

THE ALPHA BETA BOOK: AN INTRODUCTION TO ANCIENT GREEK

To read **The Alpha Beta Book: An Introduction to Ancient Greek** PDF, remember to click the web link beneath and download the ebook or have accessibility to other information which are in conjunction with THE ALPHA BETA BOOK: AN INTRODUCTION TO ANCIENT GREEK book.

Waldorf Publications. Paperback. Condition: New. 64 pages. Dimensions: 9.6in. x 6.7in. x 0.1in. Can Ancient Greek be introduced with levity and whimsy Author Keith McCrary has introduced hundreds of children and adults to Ancient Greek for over thirty years at Waldorf schools in the United States, Japan and Mexico. Follow the directions for learning to say the Greek alphabet, and he will have you speaking it in different rhythms, in a series of accents, including Texan! and even singing it. Included are pictographs for the letters of the Greek alphabet and ample opportunities to learn about many Greek words that have English cousins. Besides learning to count to twenty, you can recite the first lines of Homers Odyssey, some well-known philosophical sayings, and much more, plus learn a little history along the way. You can be amused while learning some Ancient Greek and, perhaps if you pay close attention, you'll even be amazed. After reading this little book, you may well understand a good bit more than you had before because it IS Greek to you. This is an excellent introduction for anyone interested in learning about language. The illustrations lift the words off the page and into the imagination. I recommend it for classrooms, homes and a place on your bookshelf. -- Paul R. Brown, Maui District School Superintendent, ret. CD is included: Audio lessons to accompany the material in the book: Introduction: Go with me to a distant land Learning the Greek alphabet (and singing it to the traditional alphabet song) Counting from 1 to 20 Philosophical sayings and excerpts from literature: Homers The Odyssey, the Prayer to Zeus (recited at the opening of the fifth grade pentathlon), first lines of The Gospel of John with musical interludes and a farewell This item ships from multiple locations. Your...
