Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A crumbling empire. A devastating war. A disturbing vision. A final choice to save or destroy. Siasha Mastik has no hope of having a normal life. Since the revolution started on Chandara VII, Siasha Mastik and Ace Nova have had only one goal; the destruction of the Nowa Empire. Joining the Army of the Periphery Federation, they have become military leaders, liberating world after world. But something is subtly amiss in the spiritual realm as the forces of darkness conspire to lead them to defeat. Realizing their error, they plan a final, daring mission that can have only one outcome, either victory or death! The most recent chronicles of the Zandeji, a long forgotten elite military force, conclude in this third volume. This epic space opera, in a universe where religion is outlawed, comes to a close in a final showdown between ultimate good and ultimate evil. A saga that reaches an unexpected ending where only faith, hope and love can conquer all.
