GRIFFIN, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. In a world filled with Starbucks, E!, designer water, and reality T.V., is it any wonder that pop culture icons are invading our dreams? With insightful humor (a sure sign that the only thing implanted in her cheek is her tongue), author Josie Brown explains dream symbolism in terms that any young, hip woman can readily comprehend. What does it mean to dream of Paris (France), Paris (Hilton), Prada, blogging, bridesmaids, and more? Josie can tell you. Part dream dictionary, part relationship guide, part fashion fantasy, Last Night I Dreamt of Cosmopolitans taps into its readers subconscious, unraveling their slumber-induced musings on love, lust, cocktails, and of course, designer shoes.
