Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When managing illnesses for a family it can be difficult to keep track of all the medications, doctor s visits and prescriptions. The Family Medical Charts will help you do just that. You will also be able to keep a record of your medical information, your Health care providers contact information, medication you take on a regular basis and any surgeries or procedures you have had as well. It will give you a place to record the necessary information regarding any illnesses. The charts have a place for your temperature and the time you took it as well as the medication you take for that illness. The Family Medical Charts also has a section on each page to check off symptoms, doctor s appointments and any prescriptions you may be given and a place to document the onset date of your illness. Let the Family Medical Charts help when illness strikes.
