

## The Turnings of Darkness and Light: Essays in Philosophical and Systematic Theology (Paperback)

By -

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2007. Paperback. Condition: New. New.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This collection of essays, written between 1975 and 1987, covers the doctrine of analogy; the Trinity; theological realism ; the problems of evil and suffering; the doctrine of God, tragedy and Christian life; the doctrine of the atonement, christology, the theology of religions, ecclesiology, discipleship and the so-called theistic proofs . The earlier essays reflect the author s training as a philosopher in the Anglo-American analytic tradition. Later essays have a more explicitly theological focus, and they represent an attempt to come to terms with, and to proceed beyond, this tradition. More importance is attached to issues in hermeneutics and literary and social theory in the later essays. This collection therefore tends to address a wider list of topics than is usual in works of philosophical theology, and it is also distinctive in respect of the methods and approaches used in considering these topics.
