

King Midas

By Upton Sinclair

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It was that time of year when all the world belongs to poets, for their harvest of joy; when those who seek the country not for beauty, but for coolness, have as yet thought nothing about it, and when those who dwell in it all the time are too busy planting for another harvest to have any thought of poets; so that the latter, and the few others who keep something in their hearts to chime with the great spring-music, have the woods and waters all for their own for two joyful months, from the time that the first snowy bloodroot has blossomed, until the wild rose has faded and nature has no more to say. In those two months there are two weeks, the ones that usher in the May, that bear the prize of all the year for glory; the commonest trees wear green and silver then that would outshine a coronation robe, and if a man has any of that prodigality of spirit which makes imagination, he may hear the song of all the world.
