

Introductory Algebra, Books a la Carte Edition, Plus Mymathlab -- Access Card Package

By Marvin L Bittinger

Pearson, 2018. Book. Condition: New. 13th ed.. Language: English . Brand New Book. NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Books a la Carte editions that include MyLab(TM) or Mastering(TM), several versions may exist for each title -- including customized versions for individual schools -- and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering platforms. For courses in Beginning Algebra. This package includes MyLab Math. Trusted author content. Thoughtful innovation. Math hasn't changed, but students -- and the way they learn -- have. In this revision of the Bittinger Worktext Series, the Bittinger author team brings their extensive experience to developmental math courses, paired with thoughtful integration of technology and content. The Bittinger Series enables students to get the most out of their course through their updated learning path, and new engaging exercises to support...
