Reviews

Excellent eBook and valuable one. We have read and i am certain that i will going to go through once more yet again later on. You will like how the blogger publish this ebook.

(Moriah Jenkins)

ROCKIN IN TIME, BOOKS A LA CARTE EDITION

Pearson, 2013. Loose-leaf. Condition: New. 8th ed.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Understand the social and historical significance of rock-and-roll Brief, authoritative, and current, Dave Szatmary s Rockin in Time: A Social History of Rock-and-Roll, 8/e, weaves the major icons of rock-and-roll into a larger social/historical fabric. Rather than an exhaustive catalog of artists in rock history or a guide to learning musical notation, the book places rock-and-roll in the context of the social issues that surrounded and shaped it. Topics include the influence on rock music of such trends as the civil rights movement, political and economic shifts, demographical change and the baby boom, the development of the music business, and technology advances. MySearchLab with e-Text is a part of the Szatmary program. Research and writing tools help students master basic writing skills. With MySearchLab, students can access various academic journals, census data and receive aid throughout the writing process. This Book a la Carte Edition is an unbound, three-hole punched, loose-leaf version of the textbook and provides students the opportunity to personalized their book by incorporating their own notes and taking the portion of the book they need to class - all at a fraction of the bound book price.
