Excerpt from The Ring of Words: An Anthology of Song Texts; The Original Texts Selected and Translated, With an Introduction Yet the two creative arts did not drift completely apart, since for centuries music remained predominantly vocal. In the madrigal literature of the Renaissance we find, over and over, the names of such famous poets as Petrarch and Dante. The care with which their texts were set, the descriptive detail that colors the vocal lines, is well known to anyone who has enjoyed singing madrigals. But as these part-songs were written primarily for the pleasure of the singers (there were in those days no audiences as we have them today) the modern listener may miss many of the details. In writing for the church, composers drew on the timeless texts of the liturgy and the Bible. The very familiarity of these texts, and the impersonality of the Latin language, tempted them to indulge in more and more elaborate counterpoint. Spurious though it may be, the story of the composition of Palestrina's *Missa Papae Marcelli* in a conscious effort to prove how distinctly...
