

The Curse of the Ancient Emerald

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Oasis Audio, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Three nights. Three riddles. Three robberies. First, a priceless painting disappears from the Bayport Historical Museum; then, two ancient samurai swords vanish from a private collection. A string of robberies has hit Bayport, and all signs point to the Phantom, a recently released ex-con who last struck more than twenty years ago. There s only one problem: The Phantom has vanished into thin air, and not even Frank and Joe Hardy can track him down. Then the boys begin receiving threatening notes in the mail, each one containing a strange riddle. And it looks like the Phantom s next target could be the valuable Emerald of Astar, the 2,500-year-old crown jewel of the historical museum. Can the Hardys crack the Phantom s code before he strikes again?.
