YOU SHOULD BE DANCING!

Bellissima Publishing, United States, 2014. Paperback. Book Condition: New. Penelope Dyan (illustrator). large type edition. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.There really is nothing quite like a song, unless you are curling up with a good book, or maybe watching a sunset. Music is one of the joys of life; and where there is music, there is dancing. So you should be dancing! Award winning author, attorney and former teacher, Penelope Dyan, believes learning, like music and dancing, should be fun; and this is why she writes learn to read books for kids that contain kid friendly illustrations, large print that is easy for little eyes to see, and words that build on the basic reading skills of word recognition, word repetition and rhyme. With these things in mind, she created this book, You Should Be Dancing, inspired by a comment she heard from the USA s First Lady, Michelle Obama, on a late night television show. When she was asked what exercise she liked the best, she said she liked to dance, because it was fun. (And that was all it took to get author Penelope Dyan writing!) To have even more learning fun (and exercise) you can also sing and dance to the music video that has the same name as this book on the Bellissimavideo YouTube Channel.
