Ehgbooks, 2017. Paperback. Condition: New. Language: Chinese . Brand New Book ***** Print on Demand *****. Experts have called the current pattern of rapid and unpredictable changes in business conditions as the New Normal. In order to lead in these conditions, it is critical to constantly innovate business at an ever faster pace. And to obtain the desired responsive capabilities, organizations significantly rely on a process or function called operations. They are therefore under an increasing pressure to make Operational Excellence central to their core strategy. In their aspirations to achieve superlative operational performance, organizations have often rushed to adopt a large variety of tools and techniques. However, a vast majority of attempts to cut and paste such tools and techniques has made their journey painful, exhausting and costly. Not surprisingly, over 70 of well intended initiatives to achieve breakthrough performance in operations have either stopped midway or given suboptimal results. The Path presents a way to achieve dramatic growth on an ongoing basis without taking costly trade-offs and burn-outs. It emphasizes that dealing with the New Normal is not so much about running after an overwhelming number of improvement skill-sets, rather it is about improving the process of improvement itself. According to the book, an organization of a reasonable size has enough intuition, experience and logic to figure out its own way of Operational Excellence. It shows that in today s environment, an actionable approach of learning by doing provides a strong option for achieving rapid, yet sustainable growth. The book is set in an operational warzone and it describes the saga of teams in dealing with the New Normal. Since, intuition and emotions are hallmark of day to day operations, it is written in a semi story driven format and contains operational dialogues between players in the field....
