McGraw-Hill Education, 2016. Book. Condition: New. 8th ed.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Presenting the human side of Psychological Disorders. Susan Krauss Whitbourne s Abnormal Psychology: Clinical Perspectives on Psychological Disorders, shows students real-life portrayals of psychological disorders through an extensive use of clinical and online case studies, biographies, and first-person quotations. The program maintains the biopsychosocial approach, incorporating biological, psychological, and sociocultural contributions to psychological disorders, also acknowledging the evolution of psychological disorders over the lifespan. The eighth edition ties concepts together with an integrated, personalized learning program, providing students the insight they need to study smarter and improve performance. Abnormal Psychology personalizes the human experience, while helping students think critically and apply their knowl-edge through activities in McGraw-Hill Education s digital learning platform, Connect. Connect for Abnormal Psychology includes the only adaptive reading experience on the market, McGraw-Hill Education SmartBook, as well as new Interactive Case Studies for Abnormal Psychology and the Faces of Abnormal Psychology video program.
