THE SUN FROM THE WEST: BIOGRAPHY OF IBN ARABI AND HIS DOCTRINE (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: Arabic . Brand New Book ***** Print on Demand *****.This book is an attempt to shed some light on the aspects of the life of a great Muslim scholar who devoted himself to knowledge and wisdom, and Allah has granted him an ample portion and a prodigious magnitude, and he in turn broadcasted this in his boundless numerous books, to enlighten the whole world, east and west. By studying the biography of this great knower, we want to explore some of these sciences and knowledge bequeathed to us by Allah on his hands, that made scientists and philosophers sometimes astounded and sometimes pondering and often unable to dive into the seas of his words to extract the jewels and pearls therein. Muhammad Ibn al-Arabi dedicated his entire life to learning and knowledge, but he did not follow the ordinary way of thought and consideration, such as other scientists do, rather, he followed the path of piety that is the only obligation imposed by Allah the Almighty to take care of educating His servants, because the Almighty said: (fear Allah and Allah teaches you [2:2282]), and He said: (O ye who believe! if ye fear Allah, He will grant you a criterion [8:28]), to judge between right and wrong. Thus those who accomplished piousness they obtained the great divine knowledge which is the true guiding light. This knowledge obtained by the appropriate pious is the divine unveiling knowledge of taste (ilm al-zawq) attained through the spirits of prophets and angels who irrigate from the sea of eternal knowledge, the Prophet Muhammad peace be upon him, a knowledge of certainty realized by insight and vitiated by no doubt ever, unlike other theoretical knowledge based on reasoning that can be true but...
