

Science Made Easy Ages 9-10 Key Stage 2 (Paperback)

By Carol Vorderman

Dorling Kindersley Ltd, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Help your child be top of the class with the best-selling home-study series from Carol Vorderman. Let Carol Vorderman help your child succeed in Science. Science Made Easy is one of Carol Vorderman's series of workbooks packed with notes and tips to make learning about Science easy and fun! Follow the exercises and activities with your child to strengthen their learning in school, then reward them with gold stars for their efforts. Each title contains a progress chart so your child can keep track of all the exercises they have completed and parents notes explain what children need to know at each stage and what's being covered in the curriculum so you can support your child. This book helps children to learn about living things and the processes of life, why plants have flowers, and how to eat a balanced diet. Developed in consultation with leading educational experts to support curriculum learning, Science Made Easy (previous ISBN 9781405363730) is a great way to improve your child's science skills - the more you practise, the better you'll be! Carol Vorderman.

Reviews

Excellent electronic book and valuable one. Better than never, though I am quite late in starting reading this one. I am very easily can get a delight of studying a written book.

-- Anastacio Kreiger DDS

This ebook is amazing. It typically will not price excessive. I discovered this pdf from my dad and I recommended this publication to learn.
