Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

Murdoch Books. Paperback. Book Condition: new. BRAND NEW, Ten, Shamini Flint, Ten-year-old Maya lives for soccer. But no one in her small seaside town in Malaysia shares her obsession: her brother prefers hockey, the girls at school think it's a boys' game, and her grandmother just wants her to be a 'good Indian girl', even though with pale skin and an English father she's already a disappointment. Maya has other problems too. Her parents are constantly arguing, the new girl at school is getting everyone in trouble, and, worst of all, Brazil has just lost the World Cup. But Maya is determined that none of this will stop her from becoming a professional soccer player - the only problem is she's never even kicked a ball.
