THE SNOW GEESE OF LA PEROUSE BAY: NATURAL SELECTION IN THE WILD

OUP Oxford. Hardcover. Condition: New. This item is printed on demand. 320 pages. This book brings together the results from one of the most significant long-term studies of birds in the late twentieth century, testing our understanding of evolution in natural populations. Combining genetics, behavior, ecology, and a landmark data set, it will be essential reading for everyone with an interest in evolutionary ecology. The Lesser Snow Goose is a migratory Arctic breeder which occurs in two genetically distinct forms....

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.
