Reviews

This pdf is fantastic. It really is basic but shocks inside the 50 % in the pdf. I realized this pdf from my i and dad encouraged this pdf to discover.

(Hunter Witting)

THE POTTERS WORKBOOK

University of Iowa Press. Paperback. Condition: New. 124 pages. Dimensions: 10.1in. x 7.8in. x 0.5in. In *The Potters Workbook*, renowned studio potter and teacher Clary Illian presents a textbook for the hand and the mind. Her aim is to provide a way to see, to make, and to think about the forms of wheel-thrown vessels; her information and inspiration explain both the mechanics of throwing and finishing pots made simply on the wheel and the principles of truth and beauty arising from that traditional method. Each chapter begins with a series of exercises that introduce the principles of good form and good forming for pitchers, bowls, cylinders, lids, handles, and every other conceivable functional shape. Focusing on utilitarian pottery created on the wheel, Illian explores sound, lively, and economically produced pottery forms that combine an invitation to mindful appreciation with ease of use. Charles Metzgers striking photographs, taken under ideal studio conditions, perfectly complement her vigorous text. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
