BACON AND EGG MAN (PAPERBACK)

Open Road Media, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the halls of Congress, on the streets, in the media, the war on fast food is on. Tofu may be topical, but bacon is eternal. Bacon and Egg Man, Ken Wheaton's second novel, is a sly send-up of a politically correct food establishment, where the Northeast has split off from the rest of the United States. The new Federation is ruled by the electoral descendants of King Mike, a man who made it his mission to form a country based on good, clean living. But you can't keep good food down. And Wes Montgomery, a journalist at the last print paper in the Federation, is a mild-mannered bacon-and-egg dealer on the side. Until he gets pinched and finds himself thrust into Chief Detective Blunt's wild-eyed plot to bring down the biggest illegal food supplier in the land. To make matters worse, Wes is partnered with Detective Hillary Halstead, the cop who, while undercover, became his girlfriend. Their journey takes them from submarine lairs to sushi speakeasies, from Montauk to Manhattan, where they have to negotiate with media magnate the Gawker before a climactic rendezvous with the secretive man who supplies the Northeast with its high-cholesterol contraband, the most eternal of all breakfast foods: bacon and eggs. Praise for The First Annual Grand Prairie Rabbit Festival: Warmed my heart faster than a double shot of Wild Turkey and kept me laughing through the night. This is a rollicking irreverent debut. It's also a charming love story with a heart as big as Louisiana. I am a huge Ken Wheaton fan. -Matthew Quick, author of Silver Linings Playbook Readers need to hold onto their hats because Wheaton...
