Brand New Book ***** Print on Demand *****.The latest book and brand new game from Word Power games). The exciting and challenging Poets Corner has been designed for those who love rhyming words . If you re into poetry or prose, love the sound of words and love word games, then this could be perfect for you! I ve made the game open so as to accommodate players preferences and to which style of rhyme they prefer to use, although you might find you have to use many styles! (perfect rhyme, near rhyme, unaccented etc) The objective of Poets Corner is for the player to match the words I give you each game (and game level, of which there are four) and simultaneously place them into the funny shaped grid. So you have find the appropriately rhyming word and ones which fit into the grid - because space is limited! It s a great game and every game will be unique to YOU each and every time. as with all games at Word Power - Come and play;0).
