Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Expository Essays and Discourses Biblical Expositions is steadily passing out of a second edition. Encouraged by the generous welcome accorded to these former volumes, I now venture to issue what is virtually a third volume of the series Like its predecessors, Expository Essays and Discourses is composed - for the most part, yet not wholly - of papers which have already appeared in various Magazines; like them, also, it deals for the most part with obscure and difficult Scriptures, or Scriptures of special moment and interest. I shall be very thankful if any of my brethren who have less leisure for study than myself, or less ample means and aids for the study of the Bible, should find my work in any way useful to them.
