This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

KEY TO DEEP CHANGE STUDY: SMALL GROUP LEADER S GUIDE (PAPERBACK)

Churchequippers, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you are a person who wants to see people live in freedom and intimacy with God, this study is a tool you will want to consider. Based on and written to supplement The Key to Deep Change: Experiencing Spiritual Transformation by Facing Unfinished Business, by Dr. Steve Smith, this REVISED leader s manual gives the 10-week study facilitator added information to guide a group of Christians who have started asking questions about why they are stuck on their faith journey -struggling to keep well-hidden sin under control, making damaging decisions, or falling back into destructive behavior. You will be able to use this study to give them a clear pathway and the tools for understanding themselves and for discovering the power of grace through intimacy with God. This guide takes all the material in the Participant s Guide and intersperses it question by question with the concepts and direction you will need to be looking for in their discussion of the material. You will also be able to help participants trek with others in community, learning to confess secrets that hold sway over their lives and to encourage, rather than condemn people, who struggle with sin. Included in this study is access to online personal inventory tools the participants will use. Each of the studies will lead progressively towards becoming unstuck on the faith journey, gaining a deepening trust in God which enables them to move on towards being conformed to the likeness of Jesus.
