

The Social Scientific Study of Jewry: Sources, Approaches, Debates (Hardback)

By -

Oxford University Press, United Kingdom, 2014. Hardback. Book Condition: New. 239 x 163 mm. Language: English . Brand New Book. Continuing its distinguished tradition of focusing on central political, sociological, and cultural issues of Jewish life in the last century, this latest volume in the annual Studies in Contemporary Jewry series focuses on how Jewry has been studied in the social science disciplines. Its symposium consists of essays that discuss sources, approaches, and debates in the complementary fields of demography, sociology, economics, and geography. The social sciences are central for the understanding of contemporary Jewish life and have engendered much controversy over the past few decades. To a large extent, the multitude of approaches toward Jewish social science research reflects the nature of population studies in general, and that of religions and ethnic groups in particular. Yet the variation in methodology, definitions, and measures of demographic, socioeconomic, and cultural patterns is even more salient in the study of Jews. Different data sets have different definitions for what is Jewish or who is a Jew. In addition, Jews as a group are characterized by high rates of migration, including repeated migration, which makes it difficult to track any given Jewish population....

Reviews

Most of these publication is the perfect ebook accessible. It is amongst the most awesome publication i have got read through. You wont truly feel monotony at whenever you want of the time (that's what catalogs are for regarding in the event you request me).

-- Prof. Edgar Kshlerin

It is easy in study safer to comprehend. It can be writter in basic phrases and never confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Emmitt Harber
