Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The late Dr. Ralph McInerny, Professor of Philosophy at the University of Notre Dame du Lac, once commented that some Catholic novels are so good, they're bad. He meant that the heroes are so virtuous that you simply can't believe them. Worse, the novels try so hard to be Catholic that they fail to be Catholic, that is, universal, or even any sort of realistic commentary on the human condition. Worst of all are probably the novels that try to imitate the authors profiled in this appreciation of the fiction of Nicholas Cardinal Wiseman (1802-1865), John Henry Cardinal Newman (1801-1890), and Monsignor Robert Hugh Benson (1871-1914). Part of this is due to the fact that many people misunderstand not only why these writers wrote, but what they wrote. Benson's wonderfully barbed satire, for example, endeared him to Evelyn Waugh, yet it is often characterized as prophecy! This collection of biographical sketches and essays by Mr. Michael D. Greaney, Director of Research at the interfaith, all-volunteer think tank, the Center for Economic and Social Justice (CESJ) in Arlington, Virginia, U.S.A., does much to dispel the misimpressions and misunderstandings many people might have of the novels of Wiseman, Newman, and Benson. More than that, this compendium introduces these works to a new generation of readers, and makes it clear that the authors wrote for everyone, not just for Catholics, or even Christians.
