Dr. Amy Levine shares the nitty gritty details that no one tells you until you are there, lying on the table, looking at the ceiling. This humorous account of a doctor on the receiving end of fertility treatments will make you laugh and clamp your thighs closed. A must read for anyone who wants to know about getting pregnant when the birds and the bees aren t working. The author, a gynecologist with her own fertility problems, draws on her personal and professional experiences to create a wonderfully readable story with characters and circumstances every fertility patient will recognize. A refreshingly fresh first novel.
